

Campaign for an Australian Arms Embargo on Israel

The **Palestinian Call for Boycott, Divestment and Sanctions (BDS)** urges various forms of boycott against Israel until it meets its obligations under international law by:

1. Ending its occupation and colonization of all Arab lands occupied in June 1967 and dismantling the Wall;
2. Recognizing the fundamental rights of the Arab-Palestinian citizens of Israel to full equality; and
3. Respecting, protecting and promoting the rights of Palestinian refugees to return to their homes and properties as stipulated in UN Resolution 194.

The Coalition for Justice and Peace in Palestine endorses the July 2011 call from the Palestinian BDS National Committee (BNC) for “international action towards a mandatory comprehensive military embargo against Israel similar to that imposed against apartheid South Africa [UNSC Resolution 418 (1977)].” Israel has a documented track record of breaching international humanitarian and human rights law during its armed conflicts, resulting in repeated war crimes and crimes against humanity. The arms embargo calls on governments, multilateral bodies, the UN, private and public companies and institutions, to:

1. Cease the provision to Israel of arms & related materiel of all types;
2. Stop all military & dual-use imports from Israel;
3. Stop the transfer of military products to/from Israel through national ports, territory and airspace;
4. Stop cooperation with the Israeli army, military companies & military-related R&D projects, including joint ventures;
5. Halt all military-related training & consultancies involving the Israeli army, military companies & academic research institutions;
6. End all military aid to Israel;
7. Refrain from any cooperation with Israel in the manufacture & development of nuclear weapons & mobilize for a nuclear-free Middle East.
